#### REVIEW OF INQUIRIES RECEIVED BY LEGAL COUNSEL

Attorney Schweitzer brought to the section's attention a letter requesting continuing education credit for a class that was given before the rule requiring continuing education went into effect. The section agreed that credit may be granted only for the first time a course is developed, and only if it occurred *after* the rule went into effect.

#### DISCUSSION OF INTERNET LEARNING COURSES

Jim Campbell, UW- Madison, provided articles on internet learning courses and their effectiveness. He gave a summary of the articles and pointed out that studies showed an on-line benefit to learning that was comparable to face-to-face courses. He emphasized that the UW internet courses were ASWB-approved, were interactive, *not* self study and were much more stringent than self-study courses, i.e., students would not be able to get credit by computer without being involved in discussion.

MOTION: Anita Kropf moved, seconded by Muriel Harper, to approve up to 16 continuing education hours per biennium for internet interactive (not self-study) learning courses that are pre-approved by ASWB or offered by an accredited university. Douglas Knight abstained. Motion carried.
